

Last time you heard from us, we informed you about the exciting new Community Centre which will be opening in 2017.

This time we are pleased to reveal the great new design of Annadale Park, just one of the many facilities Annadale will offer.

Situated on the future corner of Ellscott Boulevard and Brossard Road, the lusciously landscaped park will not only feature generous open space, but a full-sized tennis court, children's play equipment and a covered picnic area.

Moremac Property Group Project Director Doug Vallance said Annadale Park is just one of the many facilities we have planned for Annadale.

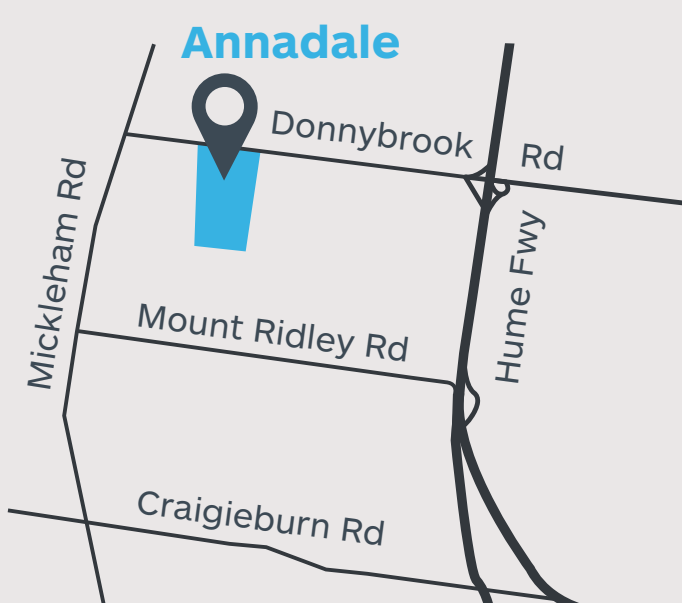

"The masterplan has been developed with growing families in mind – meaning there will walking tracks, football/cricket ovals, tennis courts, playgrounds, sporting pavilions, proposed soccer pitches and a community centre.

"This is on top of the proposed town centre and retail precinct are planned to be located nearby,"
Mr Vallance said.

Construction for the park will begin later in the year and is set to be completed in early 2017.
